Dear ECA Junior Cup participants,

we have created a training schedule for Thursday. The plan is only valid for the main channel.

All other channels can be used as you want.

From Monday to Wednesday, we propose a training schedule to facilitate training operations, which we will post at the organization office. You can fill in empty fields there.

This also applies to all those who have overlooked our deadline for training registration.

Please remember that EVERYONE wants to train!

We wish you a fair and relaxed cooperation.
