Parking at venue

Parking at the venue

Camping is not allowed at the race course, it is also not allowed to sleep in your car, or camper van/caravan, in the carpark.

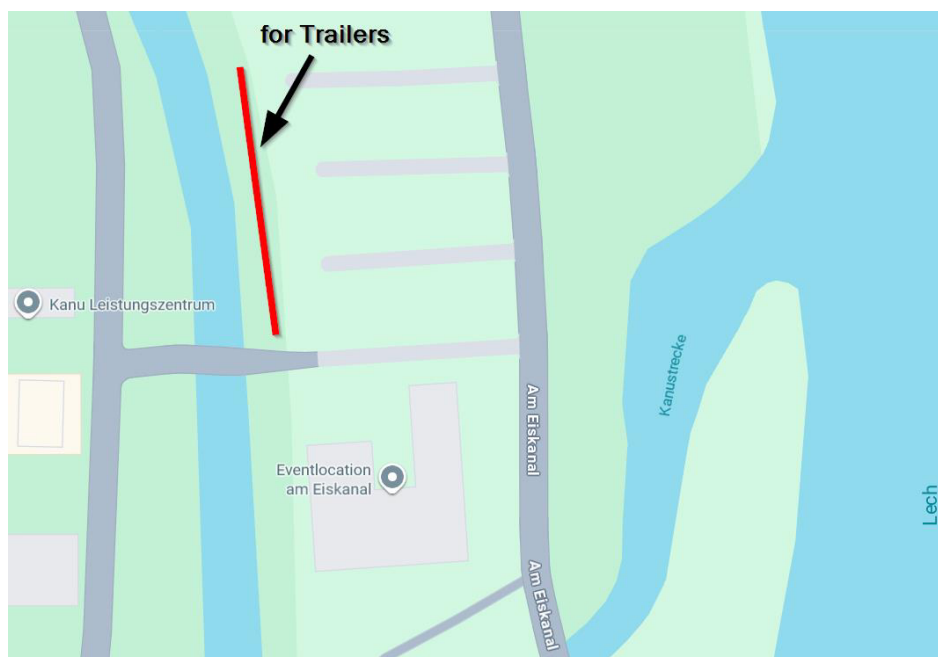

There are only a limited number of parking spaces available at the venue. The number of parking spaces allotted to each club depends on the number of athletes who are entered in the competition.

One week before start, the AKV will inform the participating clubs how many parking spaces they will be granted. Please then supply the AKV with the vehicle registration number so that parking permits can be issued.

Only vehicles with a valid parking permit will be allowed to enter the venue on Friday, Saturday and Sunday, no exceptions.

Registrations with less than 3 athletes will not receive free parking spaces.

To save space, **trailers** must be parked on the footpath between the car park and the Jugendkanal, see map. A trailer from AKV will also be there and available for additional boot storage for those without a trailer.
